

Information about the International Day of Peace

from your Mission and Justice Ministry Team

Each year the International Day of Peace is observed around the world on September 21st. The General Assembly of the United Nations has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples. To find out more about Peace Day go to <http://www.un.org/en/events/peaceday/>.

This year the theme is the 13th goal of the 17 Sustainable Development Goals adopted in 2015: Climate Action which is a call for immediate action by all to lower greenhouse emissions, build resilience and improve education on climate change. The theme draws attention to the importance of combatting climate change as a way to protect and promote peace throughout the world.

Join us and others here in Rhode Island and around the world as we educate ourselves and call for protection of our planet.
