

Dear East Bay Citizens for Peace Friends:

We are seeking your support to place Nuclear Disarmament placards on RIPTA buses.

On July 7, 2017 the United Nations passed a landmark treaty to prohibit nuclear weapons worldwide. This Treaty will take effect on January 22, 2021. But unfortunately, the United States has not supported, promoted, or signed this nuclear disarmament treaty.

In order to garner public support for the U.N. Treaty, a coalition of Rhode Island peace groups (Pax Christi RI, RI Antiwar Committee, East Bay Citizens for Peace) wishes to place promotional placards on RIPTA buses.

But first, we must raise the money to pay for the placards. Our goal is to raise \$10,000 for this purpose on GoFundMe. If 100 nuclear disarmament advocates contributed \$100 each, we would meet our goal.

Of course - we are grateful for any and all donations to this critical cause. Any amount will help us to raise awareness about the most urgent existential threat that currently faces humankind.

There is a video presentation at the following GoFundMe link with more information and where you can also make a donation:

Finally, we would greatly appreciate it if you could pass this request along to your own email lists.

Peace,
