**7. Thank You: Advent Palestinian Covid Relief** [4/16]

A big thank you from the American Friends of the Episcopal Diocese of Jerusalem (AFEDJ) to all those who purchased olive oil during Advent and who gave to the Archbishop's Covid Relief and Recovery Fund. John Lent, the Executive Director of AFEDJ writes: "Of course it's a challenge to establish personal relationships with the people you're helping in Palestine. Please know this – **the people you support know who you are and are deeply grateful for your help and the help of all of their American friends**.

When I visit the Middle East, the leaders and staff of these institutions tell me that they hold you in their prayers and send their warmest thanks and best wishes. Thank you St. Mark's. We are grateful for your friendship." Our Mid East Working Group reports **we sent AFEDJ $2,000 from olive oil sales** and **you can still donate** for Covid relief at AFEDJ by going to afedj.org/give/give-online. Contact: Maureen Shea

**8. Good Neighbors of Capitol Hill Has an Exciting New Website!** [4/16]

**www.goodneighborscapitolhill.org**

During the past year of the Covid pandemic, refugees continued to arrive and the Good Neighbors have continued to prepare apartments for newly arriving families. We followed the CDC guidelines, maintaining strict protocols and relied almost exclusively on younger

volunteers for the actual set-up. During lockdown, we created a new web-site telling about our work.

**Do you have questions about immigrants, asylum seekers, and refugees?** Who are they, and why have they come? What help do they need to be successful? Our new website clarifies this along with stories of new arrivals. Take a look at how our mission is organized and implemented, with your donations of **Gifts in Kind (GIK)**. Learn how you could help with **furnishing operations**, or **donations**. The families we serve come here with nothing but what they can carry, and their hope and faith in the possibility of new lives ahead. Visit www.goodneighborscapitolhill.org, and learn how you can help refugees achieve their dreams. The Biden/Harris Administration has raised the quota for refugees. This means the work of resettlement agencies will increase significantly, creating an even greater need for volunteers and donations. **Take a look at our website for ways you might participate.**

Please send an email to Raiford if you would like to participate in this class. We will continue to study Paul's Letter to the Romans and try to get this juicy Pauline perspective on Jesus more clearly understood.
