

Lefroy Harbour Golf Classic

in support of

Mully Children's Family

They're not an orphanage. They're a family.

Thursday, June 22, 2017

MCF, Mully Children's Family was founded by Dr. Charles Mulli in 1989, and is a non-profit, and non-governmental Christian humanitarian organization based in Kenya. It is committed to transforming the lives of orphaned, abandoned, abused, desperate and neglected children regardless of their religion, sex, colour, or tribe. These children have nowhere to call home and no one to care for them. Currently in six different locations, MCF cares for more than 2500 children. Well over 10,000 children have graduated from MCF and are successful members of society. In 2007, MCF Canada became a registered charity in Canada. ■ CRA#80333 9142RR0001 ■ www.mullychildrensfamily.org ■ www.mcfcanada.org

Your participation in the Lefroy Golf Classic will help MCF's vision to increase their existing accommodations for their friends that come and volunteer their time and talents to serve the vulnerable children and community members. Also, as Kenya has been hit with the worst drought and famine in over 65 years and declared a National Disaster in February 2017, proceeds from this tournament will ensure that MCF's drought relief efforts are also supported.
