For archery participants, either bows or arrows must be cased at all times until the Range Officer has given permission to the participant to remove their equipment.

1. Hunting type bows, either compounds, or recurve will be permitted.
2. Only fixed hunting signs and bare bows will be permitted. Peep sights will be allowed. Slide bar sights are acceptable. No sight magnification is allowed. Wrist slings are allowed.
3. Any of the following, which is considered to be of a competitive nature and will NOT be permitted:
 - Extended sight bars that measure more than 7 inches from the front of the sight window to the center of the pin housing.
 - No type of competition or carrying slings
 - Range finders
 - Crossbows
 - Broad--head hunting tips
4. Only one (1) stabilizer will be permitted, not to extend more than 12" from the bow riser.
5. Any arrow released prematurely that the shooter can't reach from his/her shooting station will count as a shot.
6. Arrow tips must extend 1" (from the point of the tip) in front of the bow riser.
7. Mechanical releases can be used on compound bows only.
8. Standard NAA whistle commands will be used.
9. All shooters must wear arm guards.
10. Hip quiver or arrow stand is required (can be borrowed from 4-H)
11. Maximum draw weight:60 lbs. (Bows may be checked at random.)
12. No sky drawing in archery
13. If an arrow bounces out of the target, shooter will be allowed a reshoot for that arrow. If arrow is deflected by another arrow, no reshoot allowed
14. Closed toed footwear and appropriate clothing required

This tournament will abide by the 4-H Code of Conduct:
