

learn about SENIOR SERVICES

The Delaware County Senior Services Levy is on the ballot Nov. 8.

The current levy expires at the end of 2023. If local in-home and community services are to continue through 2028, the senior services levy must pass in November.

If approved, the senior services levy allows SourcePoint to:

- Provide in-home care services that **help local seniors remain living safely at home, where they want to be.**
- **Keep pace with the rapid growth of our older population** and ensure there is no waitlist for vital in-home services.
- Provide community programs that **promote health and wellness, social engagement, insurance counseling, caregiver support, and more to our community.**

The senior services levy requests a renewal of 1.3 mills and an addition of 0.1 mill.

The additional cost to the taxpayer is \$3.50 each year per \$100,000 of property valuation—less than a penny a day.

Please keep the care going!

Healthy Aging at Home

When DeDee's husband passed away, she moved to Delaware to be closer to family. Being new to the community, DeDee didn't know anyone else: "I was feeling very lonely and separated, and grieving." She signed up for a fitness class at SourcePoint to stay healthy and meet new friends.

As DeDee got older, she found she had other needs. She turned to SourcePoint for help, and her care consultant developed a plan to help DeDee remain living safely in her home. DeDee, who turns 95 this year, receives Meals on Wheels, homemaking services, and has an emergency response button.

When asked what these services mean to her, DeDee responds enthusiastically: "It means everything to me!"

The senior services levy helps older adults remain living safely at home, *where they want to be*, and helps keep older adults and caregivers healthy and supported.

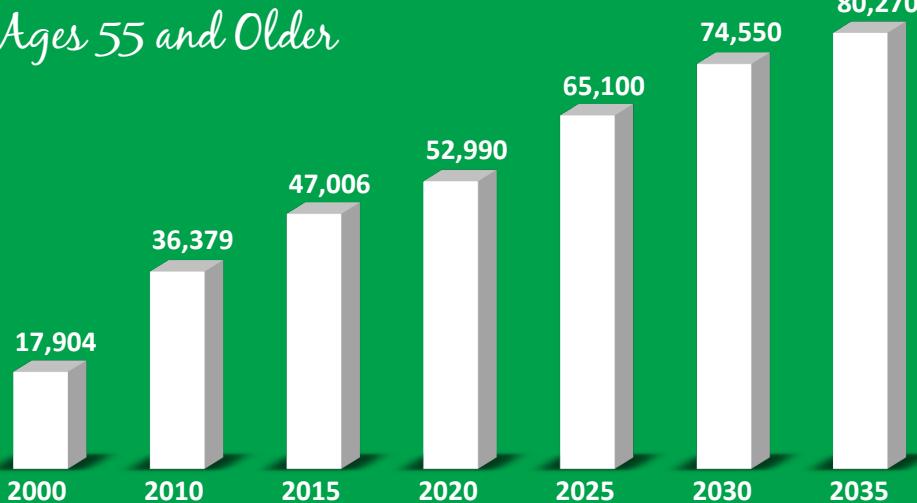

Services and programs provided by SourcePoint through the levy include:

- Care management
- Meals on Wheels
- Emergency response systems
- Personal care and basic nursing services
- Homemaker and chore services
- Medical transportation
- Counseling
- Caregiver support and respite care
- Health and wellness
- Insurance counseling
