FOR RELEASE ON JANUARY 7, 2025

Great Roofing & Restoration Wins DaVinci Masterpiece Contractor 2024 Project of the Year Award

Westerville, Ohio – Great Roofing & Restoration has been named a winner in the prestigious DaVinci Masterpiece Contractor 2024 Project of the Year Awards. As one of just six companies honored nationwide, Great Roofing & Restoration earned this recognition for its exemplary roofing work on a residential project in Piqua, Ohio, featuring DaVinci® Roofscapes Multi-Width Slate roofing tiles.

“There are thousands of DaVinci installers nationwide,” says Ryan Lephart, VP of Key Accounts at Great Roofing & Restoration. “Being selected for our work on this project is a significant honor for our company and roofing team members.”

The award-winning project, completed in April 2024, features DaVinci Multi-Width Slate in the Smokey Gray color. “We’ve been installing DaVinci products for over 15 years, and they consistently exceed expectations,” says Lephart. “The Jackson project was a pleasure to work on. The homeowners were fantastic to collaborate with, and we’re thrilled that their property has been recognized for this award.”

The homeowners also expressed their happiness with the project, sharing how the DaVinci composite roofing transformed their home. With its realistic appearance, the product is often mistaken for natural slate or shake. “It not only looks amazing but also outperforms the real thing,” adds Lephart.

A Commitment to Excellence

DaVinci Roofscapes tiles are crafted from pure virgin resins and include UV and thermal stabilizers, as well as a specialized fire retardant. These tiles are Class A fire-rated and Class 4 impact-rated, providing exceptional durability. Additionally, they resist fading, rotting, cracking, and insects, and are backed by a Lifetime Limited Material Warranty.

“Qualifications for a DaVinci Masterpiece Contractor to receive this award include excellence in installation work, outstanding visual impact, and the ability of the roofing project to transform the overall look of a home,” says Mark Pagel, general manager of DaVinci Roofscapes. “This stunning project by Great Roofing & Restoration is a clear winner in every category. Their installation of our product has made this project a true showpiece.”

Project of the Year – Blog Post

Great Roofing & Restoration Wins 2024 DaVinci Masterpiece Contractor Project of the Year Award

At Great Roofing & Restoration, we're thrilled to share some exciting news: our team has been named one of just six winners in the 2024 DaVinci Masterpiece Contractor Project of the Year Awards!

This prestigious national recognition highlights our work on a standout residential roofing project in Piqua, Ohio, where we installed DaVinci® Roofscapes Multi-Width Slate tiles in the Smokey Gray color.

An Honor Among Thousands

“There are thousands of DaVinci installers nationwide,” says Ryan Lephart, VP of Key Accounts at Great Roofing & Restoration. “Being selected for our work on this project is a significant honor for our company and roofing team members.”

Completed in April 2024, this project was a collaboration between our expert team and the Jackson family, the homeowners who trusted us to transform their property. The DaVinci Multi-Width Slate tiles proved to be the perfect choice for achieving their vision, combining exceptional beauty with unmatched durability.

“The product is so realistic that people walking by think it’s actually real slate or shake,” Lephart explains. “It not only looks amazing but also outperforms the real thing.”

Why DaVinci?

When it comes to roofing, DaVinci Roofscapes tiles are a standout option. Made from pure virgin resins and fortified with UV and thermal stabilizers, these tiles deliver both style and substance.

Key features include:

- **Class A fire rating** and **Class 4 impact rating** for top-tier safety and durability.
- Resistance to fading, rotting, cracking, and insects.
- Backing by a **Lifetime Limited Material Warranty** for long-term peace of mind.

What Makes a Winning Project?

According to Mark Pagel, general manager of DaVinci Roofscapes, the criteria for this award include excellence in installation, outstanding visual impact, and the ability to transform a property.

"This stunning project by Great Roofing & Restoration is a clear winner in every category," says Pagel. "Their installation of our product has elevated this property into a true masterpiece."

At Great Roofing & Restoration, we've been working with DaVinci products for more than 15 years, and they consistently exceed expectations. Every project is a chance to create something extraordinary, and we're so grateful to the Jackson family for trusting us to bring their dream home vision to life.

See It for Yourself

The Jackson property is a shining example of how quality craftsmanship and premium materials can completely transform a home into a luxurious masterpiece.
