Dear Friends:

Thank you so much for the generous outpouring from your 13th Annual Grocery Bag Parish Food Drive. Your drive brought in an amazing 1,118 pounds of food, paper products, and personal care items.

Please extend our thanks to the young men that delivered all these bags to the pantry. We posted their pictures on our Facebook page. The link is listed below in case you have not seen it.

We are truly grateful for the ongoing support from your parish. You are partners in every sense of the word. 2020 was an unprecedented year and your support went a long way to help us through those many difficult months.

EYFP has taken extraordinary measures to continue to offer client choice while observing safety protocols with limited contact. Even during these cold winter months, our volunteers were outside offering food, compassion, and hope to those who need us most. To view our distribution process, please follow this link to see our new video at: <https://www.eyfp.org/videos>
