

Adopt a Family 2024

The Humanitarian Committee is looking for a SCAAR family to adopt for the holidays!

What does this mean? We want to buy presents for a family in need! The family must include a SCAAR member or be closely related to a SCAAR member (i.e. parent, child). If your family needs help for any reason, please reach out. If you know of a SCAAR family needing help, encourage them to fill out the request form below. Or fill it out for them.

All names will be kept confidential. The family will not be disclosed to the committee or the membership. Once a family is selected, presents will be bought for each family member and wrapped to be picked up at the Board office at a designated time.

In order for us to best help the family, we do need this form completed. A family will be chosen and notified by December 6, 2024.

Contact Kelly @ 320-253-7149 or Kelly@stcloudrealtors.com with any questions. The deadline to submit the request form is November 29, 2024.
