

Room to Room Guide to

REUSE and RECYCLING OPTIONS

CURBING SPRINGFIELD'S WASTE ONE ROOM AT A TIME

Brought to you by the
OFFICE OF PUBLIC WORKS,
CITY OF SPRINGFIELD

The Room to Room Guide to Reuse and Recycling Options focuses on waste management options for Springfield residents and assists in educating the community on proper disposal of various residential items.

There are two types of waste highlighted in this guide:

MUNICIPAL WASTE

(also referred to as garbage)
includes materials generated in and around homes such as food, packaging, recyclables, unwanted landscape, construction or demolition debris, appliances, tires and other household items.

HOUSEHOLD HAZARDOUS WASTE

are ignitable, corrosive, reactive or toxic items found in homes. Household hazardous waste includes paint products, motor oil, glues, cleansers, pool chemicals, gasoline, medicines and pesticides.

CITY OF SPRINGFIELD WASTE DISPOSAL SERVICES

The City of Springfield's Office of Public Works provides the following services that enable the residents of Springfield to reduce waste and dispose of household and yard waste properly. These services are funded through the City's Waste and Recycling Fee that is collected through your City Water, Light and Power (CWLP) monthly bill.

Anytime you have questions or concerns about waste and recycling, you may reach out to Public Works by calling 217.789.2255 or email public.works@springfield.il.us.

LARGE ITEM PICKUP

This program allows residents to schedule two (2) pickups per year and up to three (3) items per pickup. These items may include appliances, furniture and mattresses. For additional information or to schedule a pickup, call F&W Recycling at 217.528.1649.

HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENT

This annual event is an opportunity for individuals to dispose of items which are illegal to put in the weekly trash. The event date will be announced through local media; posted on the City's website, www.springfield.il.us; and on the City's Facebook and Twitter pages. You may also call Public Works at 217.789.2255.

ELECTRONICS DROP OFF EVENT

Residents may dispose of electronic items during the collection that are illegal to put in the weekly trash. The event date will be announced through local media; posted on the City's website, www.springfield.il.us; and on the City's Facebook and Twitter pages. You may also call Public Works at 217.789.2255.

LEAF PICKUP

Twice a Year, Free Pickup

Each year the City conducts a complimentary spring and fall leaf pickup program. This free service occurs during a set time in April and then again in November. Residents are allowed to set out any number of bags without the \$2.00 sticker. During this collection period, residents can also drop off their leaves, bagged or not bagged, at no charge to Evans Recycling.

Evans Recycling

2100 J. David Jones Parkway
Call 217.391.0886 for hours of operation.

Curbside Pickup

Grass, leaves and other yard waste are banned from being included with general trash, with the exception of sweet-gum balls, and must be placed in paper yard waste bags or in an enclosed can marked "yard waste". The bags are to be placed curbside for pickup; however, each bag or container must have a special sticker in order to be collected. The stickers cost \$2.00 each and are available through your waste hauler or at area home improvement stores. Stickers are not required on yard waste bags during the City's yard waste pickup programs held in the spring and fall. If a waste hauler picks up a resident's yard waste and the bags do not contain the required stickers, the resident will be charged \$2.50 a bag.

Discounted Drop Off

The City has partnered with Evans Recycling, allowing residents the opportunity to drop off their bagged yard waste to Evans for \$1.00 per bag, saving \$1.00 each bag at curbside.

BRANCH PICKUP

From May through November, the crews at Public Works provide branch pickup throughout Springfield. The pickup schedule and map are available each week on the City's website. The *State Journal Register* also prints the upcoming week's schedule in the weekend edition of the paper. Residents are also welcome to take their branches to Evans Recycling for drop off at no charge.

OTHER WASTE COLLECTION AND RECYCLING OPTIONS

WASTE HAULERS

Springfield requires every resident to have waste collection services through a licensed, professional waste hauler. The local waste hauling vendors are:

Lake Area Disposal
2106 E. Cornell Avenue
217.522.9317

Waste Management
3000 E. Ash Street
217.523.5498

Republic Services
2980 Granger Drive
217.522.7797

Waste haulers in the City of Springfield are limited to charging customers no more than \$15 per month for one container during weekly garbage pickup and no more than \$18 per month for a two can container (96 gallons total), for weekly pickup service.

Waste haulers are required to collect all garbage at their customer's site and may charge an additional fee if it is in excess of the customer's weekly pickup service.

LARGE ITEM DISPOSAL

For information about Large Item Pickup at your home, please see page 1.
The following facilities allow residents to dispose of a large amount of household trash, including junk and remodeling materials for a fee. We encourage you to call first to ask about acceptable items and the cost for disposing the various materials.

Sangamon County Landfill
2565 Sandhill Road
217.528.9256
No appliances or tires accepted. Separate fees for mattress, box spring and large furniture.

Waste Management
3000 E. Ash Street
217.523.5498
Car and truck tires are accepted for a fee. Separate fees for large appliance including freon appliances.

WASTE COLLECTION AND RECYCLING OPTIONS

DROP-OFF RECYCLING

Springfield residents may drop off recycling items at their waste haulers designated location with proof of identification. Drop off locations are for customers of the waste haulers operating each facility, and residents are encouraged to contact their waste haulers directly should they have any questions regarding this new service. Following is the listing of the area waste haulers drop off recycling facilities.

After Christmas, take the large cardboard boxes your gifts came in to the recycling center.

Lake Area Disposal Service

2742 S. 6th Street
Mon-Fri 8:00a-3:00p
217.522.9271
comments@lakeareadisposal.com

Republic Services

Sangamon Valley Landfill
2565 Sandhill Road
Mon-Fri 7:00a- 3:00p
217.528.9256
lpainter@publicservices.com

Waste Management

3000 W. Ash Street
Mon-Fri 8:00a-12-noon
800.796.9696
Customers should check in at weigh station upon entering facility.

CURBSIDE RECYCLING

Curbside recycling is available at no additional cost for single family, duplex (2 units) and triplex (3 units) residences that pay for garbage can pickup. Residents who live in multi-unit buildings may take advantage of their waste haulers drop off location, or with the property owner's agreement, obtain recycling service on site from their waste hauler at the monthly rate of \$3 per unit.

Items that are collected curbside include aluminum, all cardboard, plastics, and colored and clear glass. The following pages describe items that are acceptable for curbside recycling along with alternative disposal solutions for items that are not acceptable.

PAPER

ACCEPTABLE

- Clean, dry newspapers including glossy inserts
- Unwanted mail including window envelopes and brochures
- Empty cereal boxes, tissue boxes, paper towel rolls and toilet paper rolls
- Paper egg cartons, dry food boxes, soda cases and similar chipboard containers and telephone books
- Shredded paper
- Magazines and paperback books
- Milk and juice cartons with foil and plastic removed
- Cardboard (please call your hauler to verify what is acceptable)

NOT ACCEPTABLE

- Paper that is wet or contaminated with food and/or pet waste
(Alternative: Discard in your garbage)

PREPARING FOR RECYCLING

- Do not bundle your paper with wire, tape or rubber bands
- Remove and discard all plastic covers, liners and wrappers
- Flatten boxes to maximize space
- If shredded paper is added to the collection bin, place it in a paper sack and fold the top of the bag over to prevent blowing litter

METAL

ACCEPTABLE

- Cans that contained food or pet food (tin cans)
- Aluminum beverage cans
- Metal to-go food trays
- Clean aluminum foil

NOT ACCEPTABLE

- Scrap metal (*Alternative: Take to scrap metal dealer*)
- Empty motor oil cans or dry paint cans (*Alternative: Discard in your garbage*)
- Paint thinner cans or partially-full paint cans (*Alternative: Save for Springfield's Household Hazardous Waste Collection Event*)

PREPARING FOR RECYCLING

- Rinse well and drain
- Labels may remain on items
- Pull tabs may remain on items
- Place lids inside tin (steel) cans
- Haulers prefer all cans remain uncrushed
- Contact your hauler on how, or if it is necessary, to separate materials for collections

PLASTIC

ACCEPTABLE

- #1, #2, #3, #4, #5, and #7 bottles, bowls, jars, jugs, dairy containers
- Opaque and colored bottles, jugs or bowls which contained water, milk, juice, laundry detergent, bleach, shampoo, butter, yogurt or kitty litter
- Any rigid plastic items

NOT ACCEPTABLE

- #6 plastics
- Styrofoam (polystyrene)
- Plastic foam peanuts (*Alternative: Take to a moving or shipping store*)
- Empty motor oil bottles (*Alternative: Discard in your garbage*)
- Plastic grocery bags (*Alternative: Grocery stores have bins at entrances to recycle used, plastic bags*)

PREPARING FOR RECYCLING

- Check for numbers 1, 2, 3, 4, 5 and 7 in the recycling triangle
- Remove all tin foil from opening
- Labels and lids may remain on the items
- Rinse the containers clean
- Flatten containers to save space
- Contact your hauler on how, or if it is necessary, to separate materials for collections

GLASS

ACCEPTABLE

- Clear glass bottles and jars that contained food or drinks
- Green, brown and other colors of glass are accepted

NOT ACCEPTABLE

- Non-container glass such as a window pane; ceramic items; perfume bottles (*Alternative: Discard in trash*)
- Eye-glasses, dishware, and baking dishes (*Alternative: Donate to charity*)

Use old peanut butter jars for storing nails and screws in your garage.

Use old, outdated road maps to line drawers or wrap gifts.

Place packing peanuts in the bottom of a large planter and then fill with dirt. This will lighten the weight and reduce the amount of soil needed.

ADDITIONAL DROP OFF RECYCLING FACILITIES

There are area businesses that accept a variety of items through their own drop off recycling program. Location hours, items accepted and fees vary from location. Please contact the business prior to visiting.

Lake Area Recycling

For Customers Only

2742 S. 6th Street

217.522.9271

Accepts aluminum, tin, plastic #1-#7 except #6, newspaper, chipboard, junk mail, corrugated cardboard, e-waste, glass and magazine. Will purchase aluminum cans and scrap metals.

BLH Computers

1832 Stevenson Drive

217.585.1580

Accepts most household electronics including computers, cell phones, etc. Does not take any kitchen items.

Mervis Iron & Supply

1100 S. 9th Street

217.753.1492

Accepts large metal items at no charge. Buy ferrous and non-ferrous metal, cars and farm implements. No LPT tanks, concrete or wood

Springfield Iron and Metal

930 N. Wolfe Street

217.544.7131

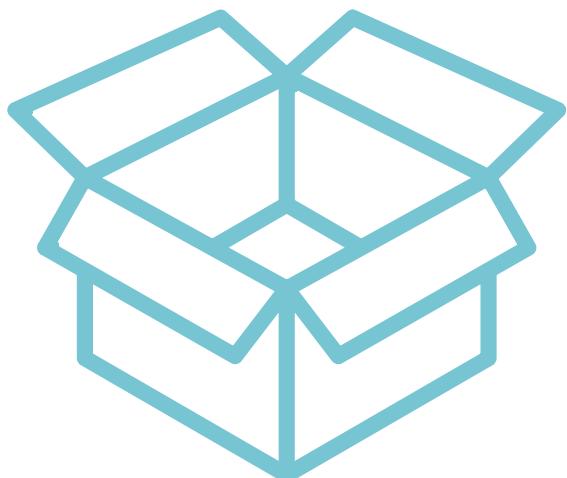

Accepts all forms of metal scrap. Fee for appliances with cooling unit. Drop off free of charge for appliances without a cooling unit. No microwaves accepted. Also sells pieces of iron and used tires.

F&W Resources

3327 Terminal Avenue

217.525.1206

Accepts steel, aluminum, tin, newspaper, chipboard, junk mail, corrugated cardboard and car/truck batteries. Large appliances accepted. Will purchase aluminum cans, scrap metals.

HOUSEHOLD HAZARDOUS WASTE

Household Hazardous Waste (HHW) includes items such as paint products, motor oil, pesticides, poisons, automotive fluids, and lawn chemicals.

Please consider the following when handling the products and disposing of the materials properly.

- Read the labels prior to purchase and follow directions
- Only purchase the amount of product you will need to complete the project
- Use the product for its intended purposes only
- Keep product in its original container and secure lid tightly
- Keep in cool, dry places
- Keep HHW products out of reach of children and pets
- Do not store incompatible products together
- Periodically check product containers for deterioration

If you have HHW you need to dispose of properly, here are a few helpful hints.

- Your waste can be someone else's resource. Check with your neighbor, family, area not-for-profits, art departments, theaters, scouting groups or share with your social media connections.
- If the original container is leaking, enclose it in a larger, leak-proof container (bucket) that is labeled properly.
- Store the waste until you are able to take it to an Illinois EPA or City of Springfield sponsored HHW collection. Call for dates and times. Illinois EPA at 217.785.8604 or the City of Springfield's Office of Public Works at 217.789.2255.

WATCH FOR LABEL WARNINGS

Toxic (Poison): may cause injury or death upon ingestion, inhalation or skin absorption

Ignitable: can be flammable under almost all temperatures

Corrosive: a chemical, or its vapors, that can cause deterioration or irreversible alteration in body tissues at the site of contact and deteriorate, or wear away, the surface of material

Irritant: causes soreness or inflammation of the skin, eyes, mucous membranes or respiratory system

Reactive: when combined with other substances, may react mildly or violently. Do not mix. Use only as directed.

BANNED FROM ILLINOIS LANDFILLS

LANDSCAPE WASTE

Banned July 1, 1990

Alternative Disposal Options:

- Leave grass clippings and leaves on lawn as a nutrient
- Mulch grass clippings, leaves, wood chips for lawn and garden applications
- Create your own compost pile or construct your own bin for future lawn care needs
- Place at curb in paper yard waste bags with waste hauler sticker attached or take compose facility

LEAD ACID BATTERIES

Banned September 1, 1990

Alternative Disposal Options:

- Exchange old motor vehicle battery when purchasing a new one
- Sell old motor vehicle battery to an auto body recycling center or salvage yard
- Bring it to an Illinois EPA or City of Springfield sponsored HHW collection. Call for dates and times. Illinois EPA at 217.785.8604 or the City of Springfield's Office of Public Works at 217.789.2255

USED TIRES

Banned July 1, 1994

Alternative Disposal Options:

- Take old tires to a tire dealer. Call first. A fee may apply.
- Take to an Illinois EPA used tire collection. Call for dates and times. Illinois EPA at 217.785.8604

BANNED FROM ILLINOIS LANDFILLS

LARGE APPLIANCES

Banned July 1, 1994

Alternative Disposal Options:

- Trade in refrigerators, freezers, stoves, air conditioners and large appliances when purchasing replacements
- Sell to businesses for reconditioning or sell at a garage sale or estate auction
- Contact local charities to see if they are in need of your usable appliance
- Contact local businesses that recycle appliances for scrap
- Utilize the City's large item pickup program. Call F&W Recycling at 217.528.1649 to schedule a pickup.

USED MOTOR OIL

Banned July 1, 1996

DO NOT pour used motor oil on the street, ground or down drains or sewers.

Alternative Disposal Options:

- Have it changed at a lube center or service station
- If you change your own motor oil, save it in a leak-proof container and take it to AutoZone, Firestone or O'Reilly's Auto Parts. Many auto supply stores will accept up to 5 gallons of motor oil for free. Call your local auto supply store for details (See page 26 for info).
- Bring it to an Illinois EPA or City of Springfield sponsored HHW collection. Call for dates and times. Illinois EPA at 217.785.8604 or the City of Springfield's Office of Public Works at 217.789.2255.

ELECTRONIC WASTE

Banned June 1, 2012

DO NOT throw electronics in the trash.

Check out a list of banned items at www.epa.illinois.gov under "Electronic Waste Recycling". Review page 20 of this booklet for local drop off locations.

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

Following is a list of items and materials you may have in your home that you would like to properly dispose. Before taking your unwanted items to one of the listed vendors, contact the business directly to ensure their policies have not changed; that they are able to accept your drop-off and if any fees will be applied.

ACIDS

Use with caution, handle with care, and store safely. Do not use for any purpose other than that for which the product is intended. Use up completely or take to a Household Hazardous Waste collection event (See page 1).

ADHESIVES

If solidified or dried up, call your waste hauler first to ensure it is accepted and then place in garbage. If not, open lid in a well ventilated and covered area and allow to solidify. If viscous, store safely and take to a Household Hazardous Waste collection event (See page 1).

AEROSOL CANS

Not acceptable in Springfield Recycling Program. May be able to donate partial or full cans to local schools, art departments, shelters, etc. If not take to a Household Hazardous Waste collection event (See page 1).

ALUMINUM CAN TABS

Ronald McDonald House

610 N. 7th Street
217.528.3314

Sun-Sat 8:00a-8:00p

Accepts aluminum beverage can tabs to support their activities. Ink cartridges are also accepted.

AMMUNITION

Turn all unwanted materials to the Springfield Police Department. Call for details at 217.788.8311.

ANTIFREEZE

Keep away from pets and children. Do not pour on ground or in septic tank.

Advanced Auto Parts

2721 S. Grand Avenue East
217.789.7740
Mon-Sat 7:30a-9:00p
Sun 8:00a-8:00p

2655 S. MacArthur Boulevard
Mon-Sat 7:30a-9:00p
Sun 8:00a-8:00p

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

APPLIANCES

F & W Resources

3327 Terminal Avenue

217.525.1206

Mon-Fri 8:00a-4:00p

Accepts large metal items and freon appliances. Pick-up service available.

Mervis Iron & Supply

1100 S. 9th Street

217.753.1492

Mon-Fri 8:00a-3:30p

Sat 8:00a-12:00p

Accepts large metal items at no charge. Buy ferrous and non-ferrous metal, cars, and farm implements.

No LPT Tanks, concrete or wood

ART SUPPLIES

Use up completely or donate to daycares, preschools, art centers, art departments, low income schools, youth groups, or neighborhood associations.

ASBESTOS

Although asbestos may be present in your home, it is not of concern if it is maintained in an undamaged or a non-deteriorating state. Leaving asbestos in place when possible is often the best option.

If asbestos is deteriorating, you should inspect it regularly for damage including missing or fallen sections of sprayed-on fireproofing or insulations and if pieces are

Save the wrapped plasticware and condiments from takeout dinners and donate them to the food shelters.

Save hotel/travel-size toiletries and donate them to homeless shelters.

hanging loose from asbestos-containing material. If this material is damaged, it can be repaired rather than removed.

Contact a trained professional to make the repairs. Hire a qualified inspector to inspect your home for asbestos prior to any renovation or demolition activities. For more information contact the Illinois Bureau of Air at 217.785.2011 or visit www.epa.state.il.us/air/asbestos. You may also contact the Illinois Department of Public Health at 217.782.3517.

ASPHALT

Asphalt may be considered “clean fill” material. Call a township road commissioner to see if the township has a place to dump clean fill. For contact information, visit www.sangamoncounty.clerk.com and click *Local Officials* and *Township*.

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

BATTERIES

Regular household batteries are known as alkaline batteries or dry cell batteries. Businesses below cannot take commercial quantities of batteries.

Mr. Battery

3133 Hedley Road

217.787.3311

Mon-Fri 7:30a-6:00p

Sat 8:00a-5:00p

Accepts most types of batteries

Best Buy

3193 S. Veterans Parkway

217.698.8551

Mon-Sat 10:00a-9:00p

Sun 10:00-8:00p

Accepts all rechargeable batteries.

Rexx Battery

2945 E. Clearlake Avenue

217.535.4096

Mon-Fri 8:00a-6:00p

Sat 9:00a-1:00p

Accepts lead batteries, rechargeable household batteries, cell phone, laptop batteries, gel-cell emergency lighting system batteries

Springfield Battery Co.

2645 E. Cook Street

217.523.7031

Mon-Fri 8:00a-5:30p

Sat 9:00a-1:00p

Car, truck, or marine vehicle batteries; gel-cell emergency lighting system batteries; lead batteries or sealed lead batteries. No lithium batteries.

Staab Battery Co.

931 S. 11th Street

217.528.0421

Mon-Fri 7:30a-5:00p

Lead batteries, batteries from forklifts, wheelchairs, gel cell, truck and car, and emergency light batteries. No lithium batteries.

Radio Shack

1875 Sangamon Avenue

217.525.8484

Check each store for business hours.

Accepts rechargeable Ni-CD

household batteries

BICYCLES

The Bicycle Doctor

1037 North 5th Street

217.670.0761

Accepts bikes for repairs and trade-ins and also accepts bikes for donation.

Ace Bicycle Shop

2500 S. MacArthur Boulevard

217.523.0188

Mon-Fri 9:00a-6:00p

Sat 9:00a-4:00p

Accepts any make or type of bike that needs repair

R&M Cyclery

832 W. Washington Street

217.544.9550

Mon-Fri 10:00a-6:00p

Sat 10:00a-4:00p

Sales and service/repair on all makes and models.

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

Trade-ins only

CARBON MONOXIDE DETECTORS

Can be thrown away.

Reuse broken clay pots by decoratively painting plant names on them and sticking them in front of the plant. If the pot is broken in half, place it on the side and have plants creeping out of them. Use broken pottery shards to line plants in outdoor pots to keep cats, chipmunks, and squirrels from digging in them.

Unsolicited credit cards can be used to scrape cooked-on food from pots and pans!

CARDBOARD

Call your waste hauler to determine if the cardboard is acceptable in curbside recycling or at their drop-off facility.

CARTRIDGES

Copier, fax, and printer cartridges are easily recyclable. Check with your office supply vendor to see if they offer a cartridge return and reuse service. You may also see if your cartridges can be refilled at the following locations.

Laser Innovations

2276 North Grand Avenue East

217.522.8580

Mon-Fri 8:00a-4:30p

Sells remanufactured cartridges for printers and fax machines including inkjet and ribbons for other machines. Offers its customers free recycling service for spent cartridges, accepts used cartridges from the general public. Repair and services laser printers.

Office Max

2951 West Iles

217.698.2930

Mon-Fri 8:00a-9:00p

Sat 9:00a-8:00p

Sun-10:00a-6:00p

Best Buy

3193 S. Veterans Parkway

217.698.8551

Mon-Sat 10:00a-9:00p

Sun 10:00a-8:00p

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

Ronald McDonald House

610 N. 7th Street

217.528.3314

Sun-Sat 8:00a-8:00p

Accepts aluminum beverage can tabs to support their activities. Ink cartridges are also accepted.

CDS, CASSETTE TAPES & RECORDERS

Damaged CDs with small obvious scratches can be repaired with a mild abrasive, such as toothpaste. To repair, on the non-label side, work out from the center using strokes across the radius.

Obsolete or un-repairable CDs can be recycled. Music, CDRom, and write-once discs are all okay.

Recycled Records

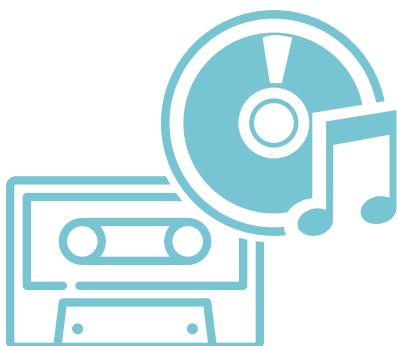

625 E. Adams Street

217.522.5122

Mon-Fri 9:00a-5:30p

Sat 9:00a-5:00p

Buys and sells anything that has to do with music including LPs, CDs,

cassettes, DVDs, VHS videos, video games, and stereo equipment. Also accepts costume and real jewelry, beer memorabilia.

Green Disk Recycling Program

Visit www.greendisk.com. Then put your technottrash in a box, guesstimate the weight, choose a label to purchase and ship it off to Green Disk.

CELL PHONES

To recycle your cell phone, contact cell phone provider or one of the organizations listed below. For cell phone batteries, contact cell phone dealer or contact locations listed under batteries.

Senior Services

701 W. Mason Street

217.528.4035

Mon-Thu 8:00a-5:00p

Sojourn Shelter and Service

1800 Westchester Boulevard

217.725.5100

24-hours a day

Sojourn is a shelter and support service for victims of domestic violence. Old cell phones and related equipment such as bag phones, cell phone chargers, and batteries are accepted and distributed to clients for use in emergencies

BLH Computers

1832 Stevenson Drive

217.585.1580

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

Mon-Fri 8:00a-6:00p

Sat 10:00a-6:00p

Accepts computers, monitors, cell phones, VCRs, electronic games. TVs accepted for a fee. No kitchen appliances.

Get a house plant!
They detox the air in your home,
reducing signs of asthma
and neurological defects.

CLEANSERS & CLEANING PRODUCTS

Do not use for any purpose other than that for which the product is intended. Read and follow label directions carefully. Use up completely or take to an Household Hazardous Waste collection event. Some cleaners contain bleach (an oxidizer) or ammonia (a poison liquid) and when mixed together can be reactive.

CLOTHING

Do an online search for Springfield, IL consignment and resale, clothing rental consignment service, resale shops, and thrift shops. Information is also available in your phone book under those headings.

ADULTS

Clothes for Careers

Springfield Urban League

700 S. Livingston

217.241.5990 ext 1600

Mon-Fri 8:30a-1:00p

Accepts donations for career clothes and provides free clothes for those in need (agency referrals required) for job interviews or job-required clothing.

BABY AND CHILDREN

Kumler Neighborhood Ministry

303 North Grand Avenue East

217.523.7890

Mon-Fri 9:00a-12:00p

Accepts sheets, towels, blankets, and clothes (infant-children's size 12 and adults). Also accepts medical devices including wheelchairs, canes and shower chairs in addition to plastic grocery bags.

Pregnancy Care Center

700 N. 7th Street, Suite B

217.525.5630

Tue-Thu 9:00a-4:30p

Accepts baby beds (taken apart), bassinets, baby items (clothes N-18M) in like-new condition, and maternity clothes.

COMPACT FLUORESCENT BULBS (CFLS)

These new energy efficient light bulbs are great for saving energy but they do contain mercury. Because of this, it is important that they get disposed of properly. Take your

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

CFLs to these locations so it will minimize mercury in our landfills.

Staples

2490 Wabash Avenue
217.793.7243
Mon-Fri 9:00a-9:00p
Sat 10:00a-7:00p
Sun 11:00a-6:00p
Accepts small office electronics but not TVs.

Plastic or cellophane from individually wrapped greeting cards can be reused as recipe card protectors.

ENVELOPES

Paper envelopes may go into your recycle bin.

Envelopes that have paper on the outside and plastic on the inside or plastic on both sides of the mailing envelope are called Tyvek® envelopes. To dispose of small quantities (less than 25 envelopes a month) of Tyvek® envelopes, turn the envelope inside out so the unprinted white surface shows on the outside. Stuff the inside-out Tyvek® envelope with other used Tyvek® envelopes for recycling. Address and mail the envelope to:

Tyvek® Recycle

2400 Elliham Avenue, #A
Richmond, VA 23237

For medium quantities (more than 25 but less than 500 Tyvek® envelopes a month), call 866.338.9835 and ask about the pouch program for recycling these envelopes. Each pouch holds approximately 200 used Tyvek® envelopes. Collect your envelopes and then forward them to the address label provided.

For larger quantities (more than 500 Tyvek® envelopes a month), contact the Tyvek® Recycling Specialist at 800.222.5676 or 866.338.9835 for more information.

EYEGLASSES

Springfield Noon Lions Club accepts eyeglasses at various locations across Springfield. Visit their website, www.springfieldnoonlions.com for locations. Also, see list under Hearing Aids on page 23.

FIRE EXTINGUISHERS

If a fire extinguisher is completely empty, it can be thrown away or dropped off to your local hauler but call first. You can also contact the manufacturer listed on the extinguisher label for other methods of discarding.

FIREWORKS

For small quantities of fireworks only, soak in water for at least 24 hours. Once they are completely doused, double bag in two plastic bags and then place in the trash.

FLAGS (AMERICAN)

It is illegal to dispose of American Flags in the garbage. American Legion accepts American Flags and holds an annual flag burning ceremony at Camp Butler.

American Legion Post 32

1120 Sangamon Avenue

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

FLAMMABLE LIQUIDS

Use with caution, handle with care, and store safely. Do not use for any purpose other than that for which the product is intended. Use up completely or take to a Household Hazardous Waste collection event.

217.523.7890

Mon-Fri 9:00a-12:30p

Accepts sheets, towels, blankets, and clothes infant–children's size 12 (no adult clothing). Baby supplies and food for food pantry also accepted.

MERCURY

Mercury-containing products (thermometers, thermostats, gauges, switches in light-up sneakers) have no alternative disposal options and must be saved for a Household Hazardous Waste Collection.

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

Do not allow it to come in contact with skin. DO NOT BREATHE VAPORS. Handle with extreme caution and package item to contain any leaks.

All mercury products should be placed inside a larger container with a tight fitting lid. Kitty litter or oil absorbent should be placed around the product to protect it from breakage. Clearly label the container. Transport safely, in bed or trunk of vehicle to avoid spillage and exposure.

If you have a spill of any size, contact Illinois Dept of Public Health 866.282.2840 immediately for cleanup procedures.

leashes, canned pet food, unopened bags of dry food, flea shampoos, mops, brooms, clay cat litter, postage stamps, Comet/Ajax, soaps, bleach, and paper towels. Only accepts items during business hours. Also coordinates adoptions.

Sangamon County Animal Control Center

2100 Shale Road

217.535.3065

Mon-Fri 10:30a-4:15p

Sat 10:30a-12:45p

Accepts dog food, cat food, dog treats, old newspapers, old towels and blankets, cat carriers, dog crates, and small dog houses (plastic only).

Illinois Humane Society

PO Box 512

Springfield, IL 62705

217.698.3804

Accepts pet carriers, dog houses and dog food.

PHOTOGRAPHS

Old photographs cannot be recycled. They can be used for art projects and collages. They can be donated to churches, school art departments, youth groups, or day cares for art projects.

PHOTOGRAPHY CHEMICALS

Store safely until able to take to a Household Hazardous Waste Collection event. No commercial waste.

POISONS

Store safely away from children and pets. Use only for intended purpose. Use up completely or take to Household Hazardous Waste Collection event.

PROPANE TANKS

Most businesses that sell propane tanks will accept empty propane tanks in exchange towards the purchase of a new tank.

Illinois Propane Gas Association

5240 S. 6th Street

217.525.8000

Can refer you to places accepting old propane tanks

Ley Metals

3000 Peoria Road

217.523.7676

Mon-Fri 7:00a-4:00p

Accepts all metals; propane tanks; oxygen or CO₂ tanks; and extinguishers. No concrete.

REACTIVES

When combined with other substances, a reactive may respond mildly or violently. Use only as directed and do not mix with any other substances. Use up for intended purpose or take to an Household Hazardous Waste Collection event.

MATERIALS AND WHERE TO PROPERLY DISPOSE THEM

SHINGLES

There are currently no places to recycle this material. Dispose of shingles in the trash.

SHOES

Search online for local running stores in addition to resale, thrift, and consignment stores. See telephone directory for listing under shoe repair shops. You can mail your shoes directly to Nike's recycling facility. Nike does not pay for shipping costs. To ensure the shipping and collection of shoes does not negatively offset the environmental benefit of recycling, it is encouraged that you drop off your shoes at a collection point if possible.

Closest Nike Store for Drop Off:

5555 Street. Louis Mills Boulevard
Hazelwood, MO 63042
314.227.5575
Mon-Sat 10:00a-9:00p
Sun 11:00a-6:00p

Mail to:

Nike Grind Processing
3552 Avenue of Commerce
Memphis, TN 38125

SMOKE DETECTORS/FIRE ALARMS

Call the manufacturer's 800 phone number found on smoke detector.

SOD

Waste disposal facilities in Springfield will not accept this material for disposal. Sod can be composted when mixed with leaves and grass, or may be used to fill uneven spots in your yard.

STYROFOAM

It cannot be recycled in Springfield. Curbside or drop off is not available. The only exception is packing peanuts and the material may be donated for reuse. Rigid styrofoams, such as protective packaging for computers, can be thrown away.

TANKS

Empty propane, CO2, oxygen, and soda tanks are accepted for recycling.

Ley Metals
