

CASA CORNELIA
LAW CENTER

CY PRES AWARDS

Attorneys can recommend Casa Cornelia Law Center for *cy pres* awards, which allow unclaimed settlement funds from class action lawsuits to be distributed to charitable organizations.

The Casa Cornelia Law Center is celebrating 31 years as a public interest law firm dedicated to providing quality pro bono legal services to and promoting awareness of human rights abuses in vulnerable communities – victims of trafficking and domestic violence, children escaping abuse and neglect, and asylum seekers fleeing persecution and torture who may qualify for relief under immigration law.
