Do not miss the opportunity to gain:

- An understanding of the health home and how it promotes accessible, continuous, comprehensive, family centered, coordinated, compassionate, and culturally effective health care.
- Awareness of best practices to improve the primary care practice for all types of patients (children, youth, adults, individuals with special needs and/or chronic diseases).
- An understanding of value-based contracting and how practices can participate in it.
- Knowledge about the elements of Accountable Care Organizations with the opportunity to learn from successful ACOs in Texas.
- Examples of successful integration of behavioral health services into primary care practices.
- A focus on consumer engagement and strengthened partnerships between families, providers, and the health care system.

CME CREDITS WILL BE AVAILABLE

This live activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through a joint providership between the Texas Academy of Family Physicians and Texas Health Institute. TAFP is accredited by the ACCME to provide continuing medical education for physicians. TAFP designates this live activity for a maximum of 12.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
