

Health Scholar & Junior Health Scholar Programs

Health Scholar

- Assist with basic care for patients alongside nurses, doctors and other clinicians, preparing you for your career in health care.
- Gain **hands-on experience** with clinical rotations through various specialties.
- Program options available for completion in 15 months or less. Scholars commit to attend a minimum of one 4-hour shift/week.
- Earn certificate of completion from Keck Graduate Institute

Junior Health Scholar

- **Exploring the basics of Health Care** and assisting with patient comfort care and hospital initiatives
- Understand best practices for **patient interaction** through observation-based rotations
- Complete the program in 9 months, or a 3 month accelerated schedule
- Receive **preferred admission** to the COPE Health Scholar Program
- Earn certificate of completion from Keck Graduate Institute
