***Open** to wonder and transformation,*

***Serve** together with love and humility*

From the Environmental Justice Ministry:

- Green America has several great gardening tips for putting your garden to bed for the winter. Gardening can be a meditative practice where it's just you, the soil, and the plants involved. In "10 Ways to Prepare Your Garden for Winter" the author shows you how to prepare for winter garden respite so that you help small critters survive. They also offer other ways to green your autumn.
