- We recommend that you consider signing a **petition sponsored by the Children's Agenda** concerning suspensions in the Rochester City School District (RCSD). In the past year, 230 children in kindergarten through third grade were suspended for a variety of reasons. This practice must be stopped - young children need nurturing, not removal. Please sign the appropriate petition. Monroe County Residents: <http://chng.it/LsZY7ZWh>. City Residents: <http://chng.it/RMbTgHCNrK>.
