Updated Guidance Regarding Terminal Operator Quarterly Financial Reporting

DATE: APRIL 9, 2020

The Illinois Gaming Board (the “Gaming Board”) is issuing this updated guidance to Video Gaming Terminal Operator licensees regarding submission of Quarterly Financial Reports during the Statewide Video Gaming Suspension Period in connection with the COVID-19 virus outbreak (the “Suspension Period”).

To alleviate the burdens caused by the COVID-19 pandemic, the Gaming Board has extended the reporting deadlines as follows:

- 2019 Quarter 4 Financial Report – due no later than 30 days after resumption of gaming operations.
- 2020 Quarter 1 Financial Report – due no later than 60 days after resumption of gaming operations.

Please note that reports may still be submitted using the Gaming Board’s Document Upload System. The Gaming Board encourages all licensees that are able to complete reporting during the Suspension Period to do so.

If you have any questions, please contact the Gaming Board’s Financial Analysis Unit at IGB.FAU@igb.illinois.gov.

The Gaming Board is monitoring developments regarding COVID-19 and will continue to make decisions based on science, public health guidance, and applicable law and rules. We will also continue to update licensees and other stakeholders as warranted.
