

AGENDA

CONFERENCE DAY 1

Pre-Conference Training Day

Wednesday, August 20

ADULT MENTAL HEALTH FIRST AID

08:00AM - 04:00PM

30 Seats Available \$30 Registration Fee

Mental Health First Aid for Adults is a 3 year certification that teaches people how to recognize signs of mental health or substance use challenges in adults ages 18 and older, how to offer and provide initial help, and how to guide a person toward appropriate care if necessary. Topics covered include anxiety, depression, psychosis, and addictions.

Additional information can be found at: <https://www.mentalhealthfirstaid.org/>

CHILD PASSENGER SAFETY REFRESHER COURSE

08:00AM - 04:00PM

20 Seats Available \$30 Registration Fee

We are excited to host a Child Passenger Safety Refresher Course to help keep CPST's current on the most up-to-date information in the child passenger safety field! The course lasts approximately 8 hours. By attending a refresher course, a child passenger safety technician can earn CEUs for recertification and car seat check offs.

HANDTEVY FOR EMS

08:00AM - 04:00PM

12 Seats Available \$350 Registration Fee

First on scene means you have the greatest impact on a person's life. Treating a patient is difficult & time sensitive. Handtevy provides rapid access to lifesaving information proven to save lives and reduce errors. Brace yourself for an eye-opening experience as we reveal the incredible impact of Handtevy. We can't contain our enthusiasm because the evidence speaks for itself – Handtevy is truly saving lives! Join us for a demo that will ignite your passion for this life-saving solution.
