

Five Optional Futures for Tall Oaks Conference Center

Not listed in any order

Annotations will be added as they become available including potential benefits, costs, and impacts on the ministries like summer church camp and congregational use.

The key questions for each option:

What is God calling us to do?

Will Greater Kansas City Disciples commit to fully supporting God's preferred option with our time, talent, and sufficient funding?

The best option will result in clarity around the first question and a resounding YES! to the second question.

- 1. Sell Tall Oaks to a camp/conference center operator**
- 2. Make Tall Oaks a separate entity from the Christian Church (Disciples of Christ) of Greater Kansas City with its own governing board and full fiduciary responsibility**
- 3. Pilot – Region completes deferred maintenance and hires new leadership (onto Regional staff) for a 3-yr pilot to see if Tall Oaks could be a sustainable ministry with reserve funds for maintenance/upkeep/capital improvements**
- 4. Vision – Greater Kansas City Disciples fully invest in Tall Oaks, continue it as a ministry of our Region and a service to the community, expand its capabilities and facilities**
- 5. Sell the remainder of the campus (237 acres plus all facilities)**
