

Disciples Women's Report for the Regional Board  
June 27, 2022

Our DWM had a very successful Spring Retreat. For our service project we collected needed items for Hope House which included women's, and children's underclothing, pajamas, diapers and other needed items. Through offerings from the Retreat, we donated money to Hope House, Tall Oaks and our Speaker's fund.

April 30<sup>th</sup> about 20 women met together for strategic planning for our Regional DWM. We looked at values that help define who we are. The following are the values selected:

1. Faith / Spiritual / Worship
2. Servant-Caring / Kindness / Love / Listening / Generosity
3. Fellowship / Hospitality
4. Diversity / Inclusiveness / Acceptance
5. Honesty / Integrity / Respect / Courage
6. Leadership / Vision
7. Adaptability
8. Empowerment

We also looked at strengths, challenges, opportunities, obstacles and funding for DWM. This is just the beginning as there will be additional follow-up sessions.

We are working on the 2022 Regional Fall Retreat, September 9, 10, and 11<sup>th</sup>, 2022 at Tall Oaks. Our theme is "Are you Listening?" We are going to delve into human trafficking, opportunities with refugees and ways to work within our Kansas City community on racial relationships and other needs.
