

INDEPENDENCE BOULEVARD CHRISTIAN CHURCH

(Disciples of Christ)

Needed: Executive Chef/Head Chef(s) of The Micah Ministry of IBCC

For 20 years, The Micah Ministry (<https://www.ibcckc.org/the-micah-ministry>) has been blessed by the stalwart, efficient, compassionate, and *entirely* voluntary leadership of Darrell and Rev. Sharon Cantrell. As we prepare for Darrell's retirement from his current duties after this calendar year, The Micah Ministry is seeking an Executive Chef(s) to cover the meals for 3rd, 4th, and 5th Mondays each month. (1st Mondays are covered. 2nd Mondays simply need a guiding chef.) The primary responsibilities of the Executive Chef(s) for each week would include the following:

- Planning a menu for meals on 3rd, 4th, and/or 5th Mondays
- Preparing a shopping list (with awareness of what we already have on hand) for 3rd, 4th, and 5th Mondays
- Shopping for supplies at Restaurant Depot and Harvesters
- Preparing the meal on second, third, fourth and/or fifth Mondays
- Overseeing set-up for Monday nights
- Overseeing serving of food Monday nights (could be a different person with Food Handlers Manager card)

The Micah Ministry has been fortunate to have Executive Chef Darrell Cantrell complete all the above (and so much more!). Recognizing that one person may not be available to do all the tasks of the Executive Chef, if you are interested in overseeing just one Monday or one of the tasks above, we welcome you to let us know. IBCC will help those interested to obtain their Food Handlers Manager cards if you do not already have one. Please contact the church office by November 30, 2021, at ibcckc@gmail.com or 816-231-0016 to share your interest or to obtain more information.

Many thanks to our numerous ongoing volunteers whose service makes The Micah Ministry continue to impact hundreds of lives every week. We look forward to continuing the life-giving work that has been established. Without your help, none of this would be possible!
