The members of this commission are committed to this charge and in this coming quarter, we will invite members to recommit given that several of our commission members have experienced life and career changes. We want to have a solid commission of committed leaders and we will assess in this next quarter so that people have an opportunity to continue to serve or redirect their leadership in new ways.</p> <p>We completed the second church planters cohort this quarter. We received positive feedback from participants in our region and beyond our region. We began with 5 different regions represented in our cohort. Due to transitions and schedule conflicts, some could not complete the process. We did end with cohort with 6 potential church planters, 4 from the Greater Kansas City Region. When we launch the cohort again, we will likely keep the Sunday evening meeting time but change the months to begin and end in order to avoid December [Advent/Christmas] and January. At the</p>

	<p>end of the cohort, we interviewed 2 participants in order to record their experience as participants in the second cohort. We used one video to promote the Pentecost Offering in June.</p> <p>Our new church, Faith Community Christian Church has been faithfully meeting for over one year now. They Have Had consistent attendance and participation so much so that Pastor Dayson has expanded to two worship gatherings of at least 50 people each. This church has also been very involved with NAPAD and its programming across the country. Pastor Dayson Marar's impact has been felt beyond our region and he has been invited to preach for the NAPAD Easter Sunday Service in Florida as well as the Youth and Young Adult Conference coming up in July in North Dakota. I am excited to recommend this church as a congregation in formation with proper paperwork to be submitted at the September GKC Regional Board Meeting.</p> <p>Lastly, during Pastor Bill Rose Heim's extended Sabbatical, I had the opportunity to be available to serve and lead in his stead. I am grateful for the meetings and conversations I was able to contribute to during this time. [GKC Executive Committee, Personnel Committee, Ordination Committee]</p>
