X. Congregational Dynamics / Dealing with Conflict

Many congregations experience conflict at various times. Characterize your congregation's experience with conflict given the following possibilities. Indicate the extent to which each statement describes your congregation: C= closely, S= somewhat, N= not at all.

As a church, we respect and listen to each other and work things through without generating divisiveness.

As a church, we try to respect and listen to each other, but it is not uncommon for differences of opinion to be a problem and for some people to choose sides.

Some have left our church because of conflict.

Conflict hurts our sense of unity, but we tend not to talk about it.

Painful experience with conflict has been present, but it has been worked through, and we have learned from the experience.

We have had some painful experiences with conflict, and they linger in the background.

Open conflict is present, and we need a minister who can help us deal with it.

XI. Congregational Discernment

The following questions are beneficial to a process of discernment that helps you look at yourself and also provide important information to your candidates. It is our hope that you'll spend significant time in reflecting on these ten questions prior to your providing the answers on this form. You may likely want to involve discussion of them in various congregational venues to provide the Search Committee with a breadth of input. Discuss with your Regional Minister how this might be accomplished. We are encouraging answers on the Congregational Profile that are both succinct and well thought through.
