

Personnel Committee Report  
KC Region DOC  
March 2020 Board Report

The Personnel Committee continues to work on plans for the Regional Minister's three month Sabbatical this fall. This includes delegation of the minister's responsibilities to the region, as well as his personal, professional and spiritual opportunities to find inspiration and rest during his absence. We will meet with the Executive Committee at the end of the month to review the draft plan.

The committee is also working on the Letter of Call Renewal for the Regional Minister and President. This term begins November 16, 2021 and is for six additional years. This is expected to be proposed to the board this summer.
