

Disciples of Christ
KC Region
Personnel Committee Board Report
September 26, 2022

The Personnel Committee is pleased to welcome new Committee Member, Claudia Boosman. We are pleased to have two new committee members, and their input, this year.

Our upcoming focus will continue to be the Camp and Conference Coordinator position. The Camp and Conference team has been working on an updated job description. We await the decision of the board at this meeting regarding Tall Oaks to finalize the job description and proceed.

The committee's initial budget request is for 6% increases to staff salaries.

We are also in the planning stages for hosting a Personnel Committee Roundtable with churches of the region. The date is to be determined.

Respectfully submitted,

Kathy Harris, Chair
Personnel Committee
