DWM Spring retreat was a blast!

We enjoyed Marti J. Steussy as she shared insights on telling Biblical stories! I am intentional in connecting with women to gain a multi-generational support of women excited to serve GKCDWM with their gifts and talents. I met with several women doing the retreat seeking assistance within their local churches. I shared my availability and contact information am waiting to hear from Debra with North Oak, Kim with Hickman Mills Community, and Joyce with Raytown.
