

Disciples Women's Report for June 31st Meeting

After doing our Virtual Retreat in March, we were blessed to provide money through our registrations and offerings to our Speaker's Fund, General Fund, Tall Oaks and to give a donation to ScrapsKC.

We are excited to announce that we will be having our DWM Cabinet meeting in person in July. We will be participating in our Fall Retreat at Tall Oaks in September, pending the Covid situation remains as it is or improves.

Pat Donahoo who served as the DWM Coordinator in Indianapolis retired at the end of May. We sent her a retirement gift of "A Reminder of Kansas City" products as Pat had been our Retreat Keynote Speaker several years ago.

Service is a big part of DWM. We continue to gather school supplies, non-perishable foods, personal care and other items that are not covered with the SNAP and similar programs for our community. We continue to support Micah Ministry, Shawnee Community Services, and Family Promise of the Northland. We collect pop tabs for the Ronald McDonald House and will be donating needed medications for Jamaica Mission Trips in 2022.

We are excited that we have made it through the biggest part of Covid. We gathered regularly on Zoom just to touch base during the past year to continue to support one another. As a result, we have continued to support one another in the rough stuff as well as celebrate the special times. Not bad for this crazy past year.
