

Online Summer Sunday School

After 18 months of preparation, the Covenant Education team of the Governance Committee will launch a church-wide Covenant Education Initiative later this month. Consisting of five lessons including a video presentation by KC Disciple [Rev. Dr. Casey Sigmon](#), the packet of materials, discussion questions, and a link to offer real time feedback will soon be available for download.

Regional Minister Rev. Bill Rose-Heim will lead an 8 am, five-week Sunday School series online from July 11-August 8, 2021. Open to anyone with an internet connection, the one-hour classes will be especially helpful to congregational leaders. This class and all Regional Church ministries are made possible by your congregation's support of the [Disciples Mission Fund](#).

For access to any or all free classes, click this link:
