TO: LEADERSHIP OF THE PARK HILL CHRISTIAN CHURCH
FROM: REGIONAL MINISTER AND PRESIDENT BILL ROSE-HEIM
REGARDING: REPORT FROM THE MINISTRY BLUEPRINT

Thank you for the opportunity to work with such a spirited and invested group of leaders who care about the present and future of Park Hill Christian Church. I look forward to working with you on the August 8th World Café.

Executive Summary

Park Hill Christian Church is blessed with a fully functional, spacious campus for worship, sports, and community gatherings, located just off I-29 and NW 72nd Street in Kansas City, Missouri. The church has a rich history of generous outreach, community engagement, and work for justice. Membership is aging, however, and finding members willing, equipped, and available to create and run program ministries is proving to be a challenge. There is a strong commitment to a Disciples ethos of embracing diversity, simplicity of religious practice, and honoring God as known in Christ Jesus. Park Hill Christian Church is financially stable for the near term.

The demographics of the geographic area are changing due to population growth, greater diversity, and mobility. The pandemic has affected church life and there is an awareness that it will never be quite the same as it was in 2019. Like most Disciples congregations, Park Hill Christian Church has had to learn to live online, and it has work to do to maintain an attractive, robust, and interactive online presence.

Leadership is eager to discern how to best serve both active members and those who are not currently participating in church life – especially youth and younger adults. There is a sense that congregational life could be improved and sustained through continued support and spiritual development of existing members, providing new opportunities to create non-traditional communities of faith among younger adults, and partnerships with other denominations and community non-profits that share common values.

Recommended Questions for the World Café

Based upon a review of the data provided and the candid conversation of leaders invested in the future success of the Park Hill Christian Church, a World Café will be held on August 8, 2021, immediately following the morning worship service. The hope is to give all members of the congregation an opportunity to share their perspectives and stories to give color and more content to the creation of a congregational profile that will be used to invite candidates for pastoral leadership to seriously consider a long season of service with Park Hill Christian Church.
