

DWM Update for Regional Cabinet Meeting, December 20, 2021

DWM continues to search ways we can be of service in sharing Christ's love to others in our Greater Kansas City area. We support multiple ongoing ministries in the area including Micah Ministry, Family Promise of the Northland, Shawnee Community Services, Salvation Army, Ronald McDonald House.

Planning for our Spring Retreat is underway. Retreat is scheduled for March 11, 12 and 13th, 2022 at Tall Oaks. Our Keynote speaker will be Rev. Melissa Strong, Chaplain Manager at Nebraska Methodist Hospital, Omaha. Theme is "It is Well with my Soul". We initially planned to have Melissa in Spring of 2019 when Covid initially impacted things.

Our next planned Cabinet meeting is January 15, 2022.

The Interregional Event that was planned for August 2022 has been postponed due to continued Covid concerns for the entire Heartland areas.

We have been supporting each other during this pandemic, ongoing health concerns as well as family losses.

Submitted, Jan Brooks, DWM President
