

ORDER OF MINISTRY REPORT

SEPTEMBER 2019

ORDINATION AND STANDING

Standing Renewal for 2020 is underway. All clergy with standing in CCGKC have received notices that Anti Racism Training is REQUIRED before December 31, 2019. This team gathered for a half day retreat in August to prayerfully discern some possible revisions to how we do our work together. We continue to work with several outstanding candidates for ordination.

COMMISSIONED MINISTRY

This team is working on a manual for mentors who graciously come alongside our commissioned ministers.

DISCIPLES MINISTERS ASSOCIATION

A large turnout for DMA in September after a summer break. Most participants were in attendance to share in Regional Anti Racism Training as required of all CCGKC clergy to maintain standing in 2020. Bill RH and Delesslyn K presented an outstanding workshop.

Prayerfully Submitted
