

Report for the GKC DOC Regional Board  
June 18, 2020

Our Disciples Women have been impacted by the Covid – 19 Pandemic.  
We met by Zoom for a Quarterly Cabinet Meeting in April.

Our Spring Retreat was initially postponed and then cancelled due to Covid 19.  
This week several of our leaders as well as our speaker met regarding the Fall Retreat We have decided that we are going to cancel this retreat scheduled in September as well. (This has not been announced yet).

The Evening Women's meetings have also been cancelled due to Covid. We are hopeful to resume these in September.

We are very pleased that we will have Melissa Strong for Spring 2021 and Kirby Gould for Fall 2021 as our keynote speakers.

Tall Oaks was selected for hosting the Interregional Women's event to be held in August, 2022.  
That work is in progress.

July 1, begins our change with officers. Deb Morche ends her presidency and I begin that position for the next two years.
