*"Tell me and I forget; Show me and I remember;  
Involve me and I understand...."*

Camp Fully Involved is a physically challenging, aggressive hands-on, live-in week long summer camp directed towards young women between the ages of 14 (and having completed the 8th grade) and 20 who are interested in exploring the career of a firefighter. Cadets participate in numerous hands-on evolutions focused on firefighting career skills (SCBA drills, Engine & Truck company operations, forestry, to name a few), as well as developing leadership and teamwork skills. No previous fire service experience is necessary. Visit our website to download your application today!
