# **PEDIATRIC DISASTER RESPONSE AND EMERGENCY PREPAREDNESS**

Presented by Texas A&M Engineering Extension Service (TEEX)  
Sponsored by New Hampshire EMS for Children  
and  
New Hampshire Homeland Security & Emergency Management

**Dates:** September 24 - 25, 2019

**Location:** New Hampshire Fire Academy  
98 Smokey Bear Blvd.  
Concord, New Hampshire 03305

A 2010 report by the National Commission on Children and Disasters identified a training gap for emergency responders, first receivers, and emergency management personnel that reduced their effectiveness in responding to pediatric patients and their unique needs/considerations. This course addresses pediatric emergency planning and medical response considerations through a combination of lectures, small group exercises, and a table-top exercise.
