

Great Hearts Live Oak 2022-2023 Fall Clubs

Drama-Maniacs:

The Drama-Maniacs Club will play drama games and learn how to use our voice and body to express ourselves in movement and technique- all in good fun!

Music Games and Dances:

Music games and dances reinforce what scholars learn in the classroom in a fun and engaging way. We will play all their favorites they do in class and learn new ones. We will also have a great time learning simple dances.

Arts & Crafts Club:

Calling all artists! We will create various art projects together with a mixture of various classical arts and crafts, including abstract and nature elements.

Board Games:

From Hi-Ho-Cherry-O to Scrabble and everything in between, board game enthusiasts are invited to participate in a fun weekly club filled with board games and puzzles galore!

Junior Paleontologists:

The Junior Paleontologists Club will explore a variety of prehistoric dinosaurs, plants, mammals, and fish. We will make and excavate fossils, make fossil art, build skeletons, and learn to draw a prehistoric landscape. We will also read several books, sing silly songs, and play dinosaur games as we learn all about our favorite prehistoric creatures!

GHLO Run Club:

Ready, set, go! The GHLO Run Club is a tradition here at Live Oak. All runners are invited to enjoy the simple pleasure of running together. The GHLO Run Club is a fun way to get the energy and wiggles out while working on cardio health!

Volleyball:

Bump, Set, Hit, Spike! Your scholar will learn the beginning skills of volleyball including bumping, serving, and setting while learning teamwork and building friendships.

Cantus (choir club):

In Cantus, scholars will use the music skills they have learned in the classroom and take them to new heights. They will learn what it means to be in a choir: voice production, blend, harmony, and more. The most exciting part is they will learn at least 1 song to perform at the Winter Concert.

Shining Stars Drama Club:

Calling all thespians! Do you enjoy being on stage, in the spotlight, or just want to have fun? This club is for you. Every star will memorize lines, learn acting techniques, play games, practice being in a skit, learn how to do a monologue, sing, and enjoy theater together.

GHLO Baseball:

Take me out to the ballgame! Scholars will be taught the basics of throwing, catching, fielding, & hitting a baseball. Your scholar will need to bring their own bat, hat, and glove. Cleats & baseball pants are not required but scholars may wear them if they prefer.

Rhythm Sticks:

Rhythm sticks are a great way to teach your scholar the basic outline of music: rhythm! Your scholars will learn about time signatures, note and rest values, and rhythmic composition. They will each be given a set of sticks they will use throughout the duration of class. These rhythm sticks will be used for all activities including games, folk songs, and composition.

Athena Gems:

Athena's Gems is a time to be creative using jewelry making tools and supplies. We will be creating a matching set which includes a necklace, earrings and a bracelet! Some of the tools that we will be using are jewelry pliers, cutters, eye pins, head pins, jump rings, crimps and earring findings. Students will also have a variety of beads to choose from.

Japanese Club:

A gateway to enrich students' knowledge of the Japanese language and culture. Students will learn about a different part of Japanese culture every week through short lessons, songs and fun activities! Students will be introduced to the hiragana and katakana writing systems and a few basic Kanji. You do NOT need to have ANY prior knowledge of the Japanese language. All you need is a little interest. Let's study together! 一緒に勉強しましょう！
