

# THE CIRCUIT

The Spring Edition of PWHP

Greetings PW friends,

As I write today, we are firmly in the grip of winter with subzero temps, Mother Nature's not so subtle way of reminding us she isn't done with us yet! In spite of the cold and the snow the PW Coordinating Team met recently to plan for our Homestead PW Gathering on Saturday, April 5th, at United Presbyterian Church in North Bend, Nebraska. We are grateful for the welcome from Pastor Connie Stone and the women of United Presbyterian. In this edition of the Circuit you will find additional information about the meeting and registration. We are happy to have advanced registrations, however, feel free to join us even if you don't get your reservation made prior to the event. There is no fee for lunch, the Coordinating Team will provide it.

During our time together we will have a time of worship and celebrate communion. We will also have women from our Presbytery share about their recent experiences. At the meeting you will have an opportunity to participate in a special mission/social justice project. Read about the project in this Circuit. You will also get a preview of the next Horizon's Bible Study and a 2025 book list.

In the middle of this cold snap and just as we are starting to see the days lengthen, we look forward to spring arriving and with it all the beautiful colors and textures of spring. I always think of spring as a joyful time as those first colorful crocus poke up out of the ground followed by the tulips and then flowering trees, shrubs, and greening grass. Spring was one reason the Coordinating Team selected Isaiah 55:12 NIV as our gathering Scripture; *You will go out in joy and be led forth in peace; the mountains and hills will burst into song before you, and all the trees of the field will clap their hands.* Isaiah's passage conveys an image of "Joy", and the theme selected for the spring gathering.

Joy is a theme that runs through the Scriptures, did you know that joy is mentioned up to 358 times? It varies because of the numerous Bible

translations. One of the most familiar passages which references *joy* is Galatians 5:22-23 NIV; *But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control. Against such things there is no law.* Paul speaks of joy as a “fruit of the spirit,” an internal state of being, it’s not dependent on external circumstances but a gift of God, an attitude we hold tightly to even in difficult times. Indeed “...*the joy of the Lord is our strength,*” as it says in Nehemiah 8:10b NIV.

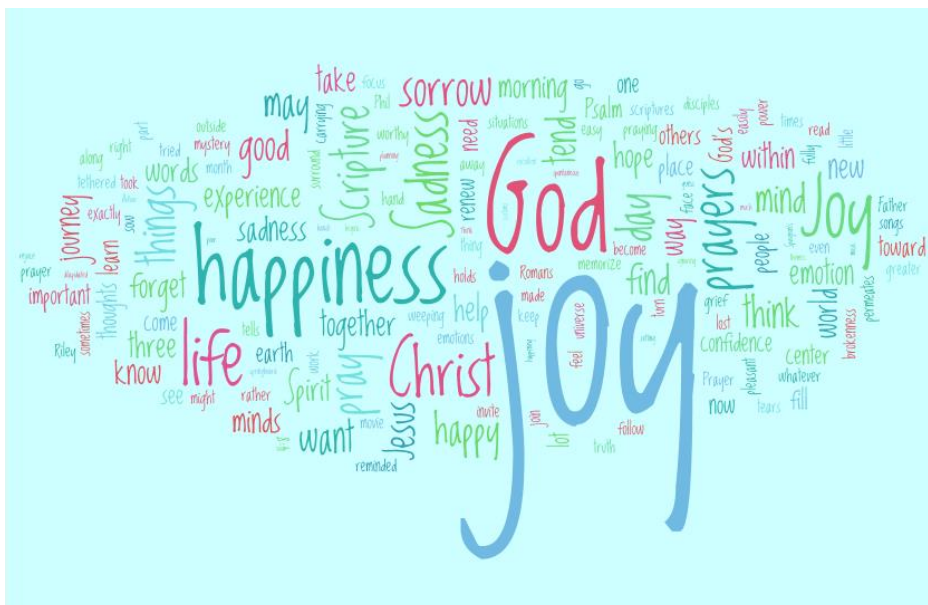

I read somewhere that “Joy” stood for Jesus, others, and you. Presbyterian Women get a lot of joy from serving Jesus as we work together, addressing needs in our churches and communities. The impacts of the PW Thank and Birthday offerings are remarkable and wide ranging. The Coordination Team wants to cultivate joy in the women of the Presbytery and celebrate the work that all of you are doing in your churches and communities. Our roll call for the meeting will be “What has brought your PW, or your church joy this past year?” It is encouraging to hear about projects large and small happening around the Presbytery. Perhaps one idea will spark an idea for your group.

Save the date of April 5<sup>th</sup> and join us for our joy-filled spring gathering as we celebrate how we have been brought together in Christ, to love and serve one another, and how our joy is multiplied when we are together.

May the joy of the Lord be our strength,

*Teresa Bartlett*

# Help End Period Poverty by Bringing Products to Spring Gathering!

Period poverty is a pressing issue affecting countless women around the world, particularly those in marginalized communities. It refers to the lack of access to menstrual hygiene products, sanitation facilities, and education that can lead to significant health risks and social stigma. As a church community committed to compassion and service, we have a unique opportunity to address this challenge!

Period poverty is not just an issue in other countries, in the United States, nearly 1 in 4 students have struggled to afford period products and 44% of teens report stress and embarrassment due to a lack of access to period products.

In Lincoln and Lancaster County, the Lincoln Hygiene Network fills critical gaps in hygiene access, promoting health equity. They have distributed over 393,000 hygiene and personal care items throughout Lincoln-Lancaster County, uplifting thousands of individuals and families through local school districts, nonprofit programs, and organizations!

Hygiene and period products are not covered by SNAP or WIC. This lack of assistance causes people in need to turn to shelters, food pantries, and community organizations. Lack of access to basic hygiene and period products leads to poor health and forces people to make difficult decisions to choose between these essential items and other necessities such as food and housing.

**Lincoln Hygiene Network tells us these are their MOST NEEDED ITEMS listed in order of greatest need:**

1. Tampons
2. Pads
3. Liners
4. Shampoo
5. Conditioner
6. Deodorant
7. Bar Soap
8. Toothpaste and toothbrushes

You can also make a financial contribution to Lincoln Hygiene Network by sending a check to: 21635 S. 68th St., Hickman, NE 68372. More information on their important work can be found here: [www.lincolnhygienenetwork.org](http://www.lincolnhygienenetwork.org)

**We look forward to having everyone bring items to the Spring Gathering! These products will have a huge positive impact for so many people!**

# The Search Begins!

*The 2024–2027 PW, Inc. Board and Search Committee gathered for their first meeting of the triennium, and visited Cafe Gingko (a Birthday Offering recipient) for community building, a delicious meal, and a look at what PW helps make possible.*

It may feel like Presbyterian Women's 2024 Churchwide Gathering just wrapped up, but work and plans for PW's future are already underway!

Members of the 2024–2027 Search Committee are beginning their task of finding the next group of Presbyterian women to lead PW, Inc. during the 2027–2030 triennium. The positions being filled are:

- Moderator
- Vice Moderator
- Search Committee Moderator
- Five Regional Search Committee Members

- Six Members-at-large representing communities of color— Indigenous/Native American, Black/African American/African, Hispanic/Latina/Latino/Latinx, Asian/Asian American, Middle Eastern/North African and Korean/Korean American,
- Two Young Women Representatives-at-large (under the age of 35)

Candidates should have time and energy to participate, as well as a passion for PW's ministry. Serving on PW's Board is a way to connect with women from across the organization, and to help shape PW's impact more broadly.

Do you know someone who stands out in your congregation, presbytery and/or synod and would make a good leader for PW at the national level?

Download the [nomination/application form](#), which also includes requirements for Board members and where to send completed nominations.

You can also help with finding PW's future leaders by inviting your regional Search Committee members to your gatherings so they can meet all the wonderful Presbyterian women in your synod, and look for candidates to serve on the next Presbyterian Women's Churchwide Board of Directors. Synods are represented as follows:

2025–2026 PW/Horizons Bible Study

# *Finding Resilience, Joy, and Our Identity in Jesus Christ*

By Rhashell D. Hunter

Suggestions for Leaders by Joyce MacKichan Walker

*I*n this Bible study, we will explore resilience. This is modeled for us by several biblical characters, gospel and epistle writers, as well as Jesus. So, what exactly is resilience?

*Resilience* is the ability to spring back into shape and to adapt well in the face of adversity, trauma, tragedy, threats, or stress—such as from family, relationships, health, workplace, and financial stressors. People who survive and thrive well in change are resilient.

The Bible study is also about joy. How do we find joy in a chaotic world? Christian joy may be different from how a lot of people define joy.

*Joy* is sometimes confused with happiness. For Christians, joy can occur while we are in the midst of difficult circumstances. Joy is the second fruit of the spirit, preceded by love and followed by peace. [Gal. 5:22-23] Trusting in God when we are in trying times can fill us with glorious joy and peace. We have joy in our suffering, because ultimately our joy is found in Jesus Christ.

We will also seek to rediscover our identity.

*Identity* is more than who we are or who we show ourselves to be. At its core, it points to our humanity. Our core identity is not found in our titles, our positions, our spouses, our partners, or our possessions. For Christians, our identity is found in Jesus Christ.

[From the Introduction to *Finding Resilience, Joy, and Our Identity in Jesus Christ*]
