

# STORIED

CRAFTING OUR STORIES FOR WORSHIP AND WITNESS

November 11-14, 2024 • Lied Lodge • Nebraska City, Nebraska

*"I will open my mouth and tell a story. I will speak about things that were hidden."* (Psalm 78:2a) Personal stories have long revealed God's good news. From swineherds healed of demon possession to women encountering Jesus' empty tomb, storytellers have propelled the gospel into a yearning world. *Storied* offers instruction and a community of practice for worship leaders to explore the art of storytelling, a powerful tool for the preacher's toolbox.

Workshop stories to bring your preaching to life in fresh ways, try your hand at biblical storytelling, explore the power of testimony, and practice the art of telling the oft-silenced stories. Story-filled worship, campfires, a StorySLAM (hosted by The Moth), and opportunities for corporate or personal renewal round out the event.

## Is this for me?

Storied is designed for preachers (ministers of word and sacrament and commissioned ruling elders) to expand upon their proclamation skills. Participants will work alongside other proclaimers of the word to explore best practices for how to tell a story, and to practice together crafting and telling stories.

## THE MOTH

### Personal Storytelling Workshop & StorySLAM with The Moth

**The Moth** is true stories, told live and without notes. The Moth celebrates the ability of true, personal storytelling to illuminate both the diversity and commonality of human experience. Their work allows people all over the world and from all walks of life — astronauts, students, a dental hygienist, a hotdog eating champion, a mechanic, exonerated prisoners, veterans, Nobel laureates and everyone in between — to share their stories on stage in front of a live audience. Through live and virtual shows, storytelling workshops, a podcast, Peabody Award-winning Radio Hour, and New York Times Best Selling books, The Moth brings the power of personal storytelling to millions of people each year creating community and building empathy around the world.

A team from The Moth will host a storytelling keynote and workshop, nurturing practical storytelling skills, based on key principles of Moth storytelling. Each participant will develop a true, personal story within a small group of practitioners.
