## KIDS & GRANDS CONNECTION

a virtual camp experience for  
kids and their grandparents/grand friends  
to explore how to make a difference in the world....together!

### What will this look like?

Over the course of four weeks, we will meet every Wednesday at 9:30 am. Our engaging and playful sessions will cover:

- what makes your family unique
- what we think everyone deserves
- tools and resources for empathy building
- great local non-profits
- ideas for how kids and grands to work together for the good of their community

The Giving Square is a non-profit dedicated to activating a philanthropic disposition in children. We believe that good philanthropy starts with empathy and that philanthropy is about giving of yourself (your ideas, your time, your talents, and your resources) for the good of others. We believe that all children can be philanthropic - and that the world needs them to be.
