VETERANS OF AMERICA

Boxes can be picked up in the gathering area after January 6th
and returned from January 18th to January 21st

Steps to Complete:

Step 1: Pick up a box from St. Martin of Tours after January 6, 2021

Step 2: Pick from ONE of the following local charities: [Lulu's Rescue](#), [Delaware Valley Food Pantry](#), [The Baby Bureau](#), and [Vietnam Veterans of America](#)

Step 3: Fill the box(es) with NEW items that your chosen charity has requested. You can look at their websites. (NOTE: we only are sending NEW items due to COVID-19)

Step 4: If you are a PREP student doing this for community service hours, you must write a paragraph on why you chose this charity and reflect on how this project made you feel. Please bring this with you when you drop off your box or email Kathy Ross at kross@stmartinoftours.org

Step 5: Bring back your boxed items to St. Martin of Tours from January 18th to January 21st and place your box in the corresponding charity pile in the gathering area.

Step 6: We ship and deliver the items to each corresponding charity.

Have fun, and feel free to decorate the boxes or write cards to each charity!

Please remember to look at your charity's website for items that they are taking at this time. Due to COVID-19, they may have restrictions.

If you want to donate to more than one charity, GREAT!
Please use separate boxes for each charity.
