Help stock the **Alfa Cares Closet** at Children's Hospital of Alabama

Alfa® is proud to introduce a special service project with its Youth Leadership Conference in support of patients and families at Children's Hospital of Alabama. Each year, Children's Hospital in Birmingham has more than 16,000 admissions. Many families arrive unexpectedly or remain for extended periods of time. Our goal is to provide 15,000 hygiene kits for patients and families so they have one less worry during their stay.

We are asking each county Young Farmers Committee, Women's Leadership Committee, Federation board and Alfa employees to join us in collecting hygiene items, which will then be packaged at the Youth Leadership Conference Nov. 10-11. Representatives from Children's Hospital will meet with young leaders at the 4-H Center in Columbiana to accept the assembled kits.

For your convenience, an Amazon wish list has been created with items organized by Area (1-10). Items on the list show the area number, quantity of each product needed and number already purchased. Items are set to automatically ship to the Alfa Home Office and must arrive no later than Monday, Nov. 3. *Please note: Amazon has been chosen because items come individually wrapped within the bulk package for sanitary purposes as requested by Children's Hospital.*

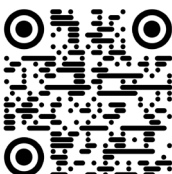

Counties may also choose to donate funds for this project. Please make monetary donations by Friday, Oct. 24, so items may be purchased and delivered by the deadline.

Thank you for your continued support of Alfa®, young leaders and Children's Hospital.
