

Great Day of Service Q & A

Will there be a job for me if I can't stand for long periods of time?

Yes! Sign up to assemble hygiene kits and tie knots for quilts! We have another job on standby if everyone is super efficient, and we have more time.

When will we be finished?

Everyone should be finished by noon, except for those who are serving lunch at Our Daily Bread or at Utica Baptist for the Collins Children's Home fundraiser.

Do I have to come to breakfast if I am working later in the day?

We will have jobs at the church in the morning, so we would love to see you in the morning. It is up to you whether you help with both activities.

What will I be doing exactly?

Someone will be in touch with you about your activity once we know who matched with which activity. If you have a question that affects your selection of an activity, feel free to call Melissa Higgs at 864-723-4579.

Do I have to order a t-shirt?

We hope that everyone will order a shirt, so we can represent St. Mark in the community. However, it is not required. We are not asking for payment. Of course, donations will be accepted.

Will I be able to register in April?

We will continue to accept registrations until Easter, but we need everyone to order their shirts this week. It will help us to have registrations as early as possible, so we can plan.

We are so excited about this opportunity to work together to serve our community! Thank you for your interest!
