FRIDAY, APRIL 22

TEACHER APPRECIATION FOR SAINT MARK'S CDC STAFF

On Friday, April 22 the CDC Steering Team will host a Teacher Appreciation Luncheon for our 26 awesome CDC teachers! We appreciate their service and take opportunities monthly to express our thanks to them for their efforts in supporting this important ministry of Saint Mark.

We invite all Saint Mark disciples to show your recognition and support for these teachers. If you are interested in providing a little treat or token of your own appreciation for the work they do, please contact Becky Hazelwood at rhazelwood8455@att.net for more information.
