

We envision these Advent devotions being very similar to an Upper Room devotion, and here's what we need from you by October 18, 2021.

1. Call on God, pray before you write. Writing a devotional is a spiritual process, so don't just reduce it to word counts and catchy anecdotes.
2. Your devotion will focus on "Celebrating who came to us in Jesus, Christ who continues to come among us here and now, and Christ who will one day come again."
3. The devotion body will include your thoughts or a story to illustrate your main point.
4. Include a reflection question or prayer for your conclusion.
5. Your devotion should be no more than 300 words. For some helpful guidelines in putting your devotion together, visit <https://submissions.upperroom.org/guidelines>.
