

ANNUAL CHARGE CONFERENCE

TUESDAY, NOVEMBER 15

This year's Annual Charge Conference will be held on Tuesday, November 15, 2022 at 6:30 pm in the Commons Room. All church members are invited to attend; however, only leaders on the current 2022 church council will vote.

Our Anderson District Superintendent, Rev. Steve Patterson will preside. We will gather to hear a word that inspires and challenges us, and give attention to Charge Conference materials which require a vote. Hope to see you there.
