REGISTER FOR CAMP PROVIDENCE

SC Camps & Retreat Ministries has officially opened day camp to the Anderson and surrounding communities at Camp Providence! There are three weeks in July open for folks to send their children—1-9th grade. Campers will get to enjoy some classic Camp Providence activities,

worship and small group devotions. The cost is \$135 per week per camper and all campers will need to bring their own bag lunch. You can register via our Asbury Hills registration portal and select the 'Day Camp' option. You may see Asbury Hills on some communication, but rest assured; you are in the right place!
