**UMCOR**

Global Ministries | The United Methodist Church

The United Methodist Committee on Relief (UMCOR) needs our help. Due to two devastating hurricanes which hit the Southeast this fall, UMCOR is running short of “Flood Buckets” containing cleaning supplies to be sent to those impacted by these storms. As this year's Advent Giving Project, the Saint Mark Service/Missions team has decided to provide UMCOR with at least 50 of these flood buckets.

If you would like to provide a bucket, please click on the links below for instructions. Please fill your bucket with cleaning supplies and return them to the church Atrium (leave under stairs) no later than January 1, 2023. Please contact Service/Missions chairperson, [Alicia Spivey](#) with questions. Thanks for your support!
