

# THE TECH TEAM NEEDS YOU!

Volunteer one Sunday morning  
per month (more if you like)

- Live Streaming
- Projection
- Sound Boards

Contact: Kristine Montgomery

Thank you to **Peter Salis** for stepping up and joining the team! Peter helped us with projection during Traditional Worship this past Sunday, and there were a lot of slides to project with the celebration of All Saints and Holy Communion. He did a fantastic job! (**Anna Baldwin** handled projection during contemporary worship, and she always does a great job!) And thank you to our sound guys last week — **Basil Carney** and **John Glenn** — you're always appreciated.

John worked extra last week, handling sound for Bethany Lake & Will King's wedding Saturday and handling video recording for Trudy Whitehurst's Celebration of Life on Sunday. **Russ Poston** manned the sound board for Trudy's service, and **Kris** handled video recording for the Lake/King wedding. Never a dull moment for the Tech Team, so the more people we have in the volunteer pool, the better. Come join us!

## **VOLUNTEERS NEEDED FOR MOBILE FOOD PANTRY**

Volunteers are needed for two hours on those mornings at the Food Pantry to pack boxes for distribution. Additional volunteers are needed from 10:00 AM to noon at the distribution locations.
