The text "Response to Racism" is written in a large, white, serif font at the top. Below it, in a smaller white serif font, is "A Task Force in the Anderson District UMC". At the bottom right, there is a white oval containing the text "Our goal: To build bridges, to grow personally, and to call ourselves to take action together to make a difference." in a white, sans-serif font. The entire graphic is set against a dark brown background.

We are in search of participants to join this year's task force on Our Response to Racism. Last year was our inaugural year and it was a huge success! All participants experienced growth, learned about themselves, learned more about others, and had meaningful conversations about racism.

We will meet for 5 sessions beginning in October and ending in March. We are looking for 10-12 members. Our sessions will likely be a mix of in-person and virtual (via Zoom). Our session topics are below:

- Session 1, Introductions and Building Trust
- Session 2, Sharing and Studying History of Racism
- Session 3, Discovering our Unconscious Biases
- Session 4, Storytelling
- Session 5, A Call to Action
