

SCENES FROM A GATHERING

The Gathering meal on Wednesday, September 14th was very well attended and, by all reports, greatly enjoyed. Sponsored by the Faith Formation Team to honor Saint Mark's Men of Faith, the evening had a football theme with a "tailgate" menu. Attendees were asked to donate Gatorade for the Seneca High School football team and wear the colors of their favorite teams. David Crane, Seneca High School football coach and son of disciple Sue Crane, was the guest speaker.

Special thanks to the Faith Formation Team and to Donna Jaynes and her team of volunteers for making the event such a great time.

HIKING WITH GOD

Alicia Spivey and Lynn Dobson lead the newly formed “Hiking with God” group. Lynn reported on the group’s first adventure which took place the morning of Thursday, September 15th:

What a wonderful morning we had yesterday.... A lot was absorbed as we hiked. The hike, as noted before we started, is an individual journey. Some noted the voices of the birds, the uniqueness of very small flowers and their interesting names, and certainly going through “Hell” was a new term. This is a term Alicia shared as we hiked through a grove of rhododendron....
