

We are planning to update the Saint Mark Disciples Church Directory which will be available online (and in print by request).

We ask that you submit a photograph for inclusion in the directory (digital preferred but we can scan a print photo) of yourself (with spouse/children if applicable). Please also include any contact information which needs to be updated (address, phone numbers, email).

The online directory will be password protected to help safeguard your information.

Please send questions or submissions to our Director of Media & Communications, [Kristine Montgomery](#).
