Coronavirus – those with virus, those unable to work, healthcare workers, containment, those who are working to distribute and administer vaccines.

**Tracy Andrews** – Friend of SMUMC disciple, **Fran Port** – Two brain tumors discovered. Had surgery to remove smaller tumor at GMH on April 7, and then received radiation for larger tumor. Thank you for your prayers.

**David Garland** – Is finally home after 100 days in hospital and rehab – Praise God!

**Ray Lockhart** - Had two small strokes over the weekend. Plans to leave OMH today for rehab at Lila Doyle for two weeks.

**Bea Moore** – Was recently hospitalized for flu and pneumonia.

**Linda Skene** - Linda had follow up knee surgery on April 6 to have a muscle graft to replace the dead skin from previous surgery. Surgery went well and she stayed in hospital two nights. Follow up visit with surgeon was encouraging – looks like healing is taking place. Please continue prayers for healing to take place as hoped.
